SPECIAL ANNOUNCEMENT

We are disappointed to announce the Elisabeth von Trapp will not be performing at this May's concert. You may have seen an article in the newspapers or on TV regarding the death of Maria von Trapp at age 99. Maria was the last of the Singing VonTrapp family that fled Nazi-occupied Austria. Additionally she was the aunt and godmother of Elisabeth. Elisabeth will be leading a special memorial service and, because it conflicts with the band concert, will be unable to perform here. Preliminary plans are underway to have her participate in one of next year's concerts. The band extends their condolences to the entire family.

Benefactors Wanted & Appreciated!

Our band, just as all other musical groups, cannot survive on just ticket sales and dues. Generous donations have sustained us in the past, and we hope they will continue in the future. Donations are always appreciated in any amount and are used to support our resident composers, to train our young apprentices and interns, to fund musical grants, and to support the construction of the future Southampton Cultural Arts Center. The names of benefactors are listed in all three season programs. We are a non-profit, tax-deductible organization.

SOUTHAMPTON COMMUNITY BAND
News & Notes

Are you ready for something a little different?
 A little challenging? A lot of fun?

When you receive your program at the March 22nd concert, you will notice that three of the selections are not titled. No, it is not a mistake, it is part of the challenge. The composers of these compositions were using their music to reflect, or describe, or represent something specific. We are asking you to listen carefully and IMAGINE what it is that they wrote about. If you want to give it a try, we will have a sheet of paper with an outline of the music to be titled. Bring a pen or pencil (if you forget, no problem - we will have some in the lobby). We have a cadre of volunteers who will check out your choices, pick the best ones for a raffle, and the winner will receive a complimentary gift basket. This is a new experience for us and we hope you will enjoy this activity as well as the concert!!

See you on March 22! **Imagine!**

To imagine is to...consider your future; consider our future; wonder; stare at the stars and imagine their future or imagine our future amongst the stars; to contemplate other civilizations, other worlds, other universes...to fly to "the first star to the left, and straight on 'till morning."

Or, is it to : "consider becoming a surgeon, to be married with children, to work in advanced technology, to find a higher paying job, to be able to share what you have with others, to find less greed in the world, to become successful, to go to college, to understand that there will not be much change in the world." These last comments were gathered from a random sample of intelligent young musicians, good kids and good young adults.

Is it only the poets, the composers, the lyricists, the dreamers who imagine? What of the rest of us? Have we become unable or unwilling to expand horizons, to dream, to imagine? Is there no longer time?

Make time! Let the music take you somewhere else, some other time, some different place. Soar.

Imagine!
