## Salute to the Armed Forces

**T**hank you for the support you've given us this year. The band has worked very hard to put our best work on the stage. Your feedback and praise has made it clear that we are doing something right. We are happy to keep you entertained and informed. For our upcoming concert, it is the band's turn to deliver praise. As is our tradition, we dedicate our final concert of the year to U.S. service personnel. We will perform a variety of patriotic music in addition to several pieces that reflect our country's military history. From Sousa to the Civil War and back again, this concert is sure to be exciting and insightful.

Even if you personally were not part of the military, I'm sure you have family, friends or neighbors who were. Please invite them to come along. Let's make an effort together to pack Klinger Middle School to the rafters with service men and women, active and retired. Remember that all members of the military are admitted free. Let's fill every seat and have a great night!

I hope all is well, and I look forward to seeing you on May 14.

*Michael Regosch, Principal Conductor*
