What if it SNOWS???????

If Centennial School District closes its facilities, we would need to cancel the program. Centennial's school closing number is 753.

If it is determined that roads are difficult and weather will be a problem, a call will be made by 6 pm to radio and TV stations. A notice will be posted on the band website: www.southamptonband.org

If the program cannot be presented on the scheduled date, it will be canceled. If you are unsure about the program's status, call 215-364-3180.

SOUTHAMPTON COMMUNITY BAND
News & Notes

Thank you so much for attending our first concert back in November. I hope you enjoyed the concert, and had a wonderful Holiday season. I also hope your New Year is off to a good start.

Our upcoming concert on Saturday, January 21 is "The Water Works". This concert will be a diverse mix of aquatic themed music. You will hear a combination of movie themes, folk songs and marches that should both excite and entertain you. Music and Water have a unique history together, and we hope to share some of that with you. It should be a welcome night out during the cold winter months. See you there!

Hope all is well!

Sincerely,

Michael Regosch, Principal Conductor

Volunteers Wanted!

The Band members and the Board are always interested in providing you a smooth, hassle-free night out. To help with that, we could use a few volunteers to assist with some of our lobby table and concert arrival logistics. If you are interested in helping with some of these needs (or know someone who might be), please contact Michael Regosch at ContactTheSCB@gmail.com and he will get you in touch with one of our volunteers or board members. Thanks.

PLEASE NOTE: January concert date may be incorrect on some Membership Cards. **Correct concert date is January 21, 2017.**
